

Youth Concert Strings Playing Passages for Chair Placement

Chair Placements will occur on October 13 during our regular rehearsal time. Musicians will be recorded by the rehearsal manager. You will be referred to as a number, to keep anonymity. (Mrs. Ritchie won't know your name.)

Mrs. Ritchie will listen to all the recordings and complete an audition feedback sheet. First and second chairs of each section will be assigned. The remaining musicians will continue to rotate in their sections, at each rehearsal. This rotation is healthy for musical and group morale reasons. It is fun to meet new people and experience Orchestra from different positions!

The section leaders will have special responsibilities and are expected to be wonderful musicians and super helpful to their section members.
